

Dear NYSBRA Grants

I'd like to request a new official's targeted grant to hire one extra "C" official for the XYZ Circuit Race, XX Apr 2011.

- Purpose for the grant: To hire Joe Biker, new C Official, to work with the officiating crew on registration and scoring the race.
- What the benefit would be for the local area and/or statewide: Additional official at the event
- How the grant supports the NYSBRA mission: Training a new official
- Amount requested: \$50
- How the money will be spent: To pay Official's fee.
- Budget: The race philosophy is to keep low entry fees (\$15) and attracts XX-XX riders, depending on the weather. As a result the race may net several hundred dollars or break even. Major costs are food (\$50), porta-pottie (\$100), officials (\$180), and camera service (\$500).
- Previous experience with event: Have promoted the event XX years.
